

1 WISH CRAFT Instead of playing party games, gather the guests together for an eco-minded crafting session. Decorate mini box ornaments with discarded gift wrap and ribbons. **2 LOVE NOTES** Fill each box with a wish, a hope, or a prayer for the mom and baby. Hang ornaments on a tree that the new parents can plant in their yard. **3 PRETTY IN PINK** Lisa's baby registry is full of organic goodies including this snugly all-in-one.
